

# **REDD+ APPROACH TO SUPPORT VILLAGE AND RURAL DEVELOPMENT**

William Sabandar  
Deputy for Operations, REDD+ Agency

Jakarta, 11 November 2014

# UU NO. 6 TAHUN 2014 TENTANG DESA MENIMBANG

bahwa dalam perjalanan ketatanegaraan Republik Indonesia, Desa telah berkembang dalam berbagai bentuk sehingga perlu dilindungi dan diberdayakan agar menjadi

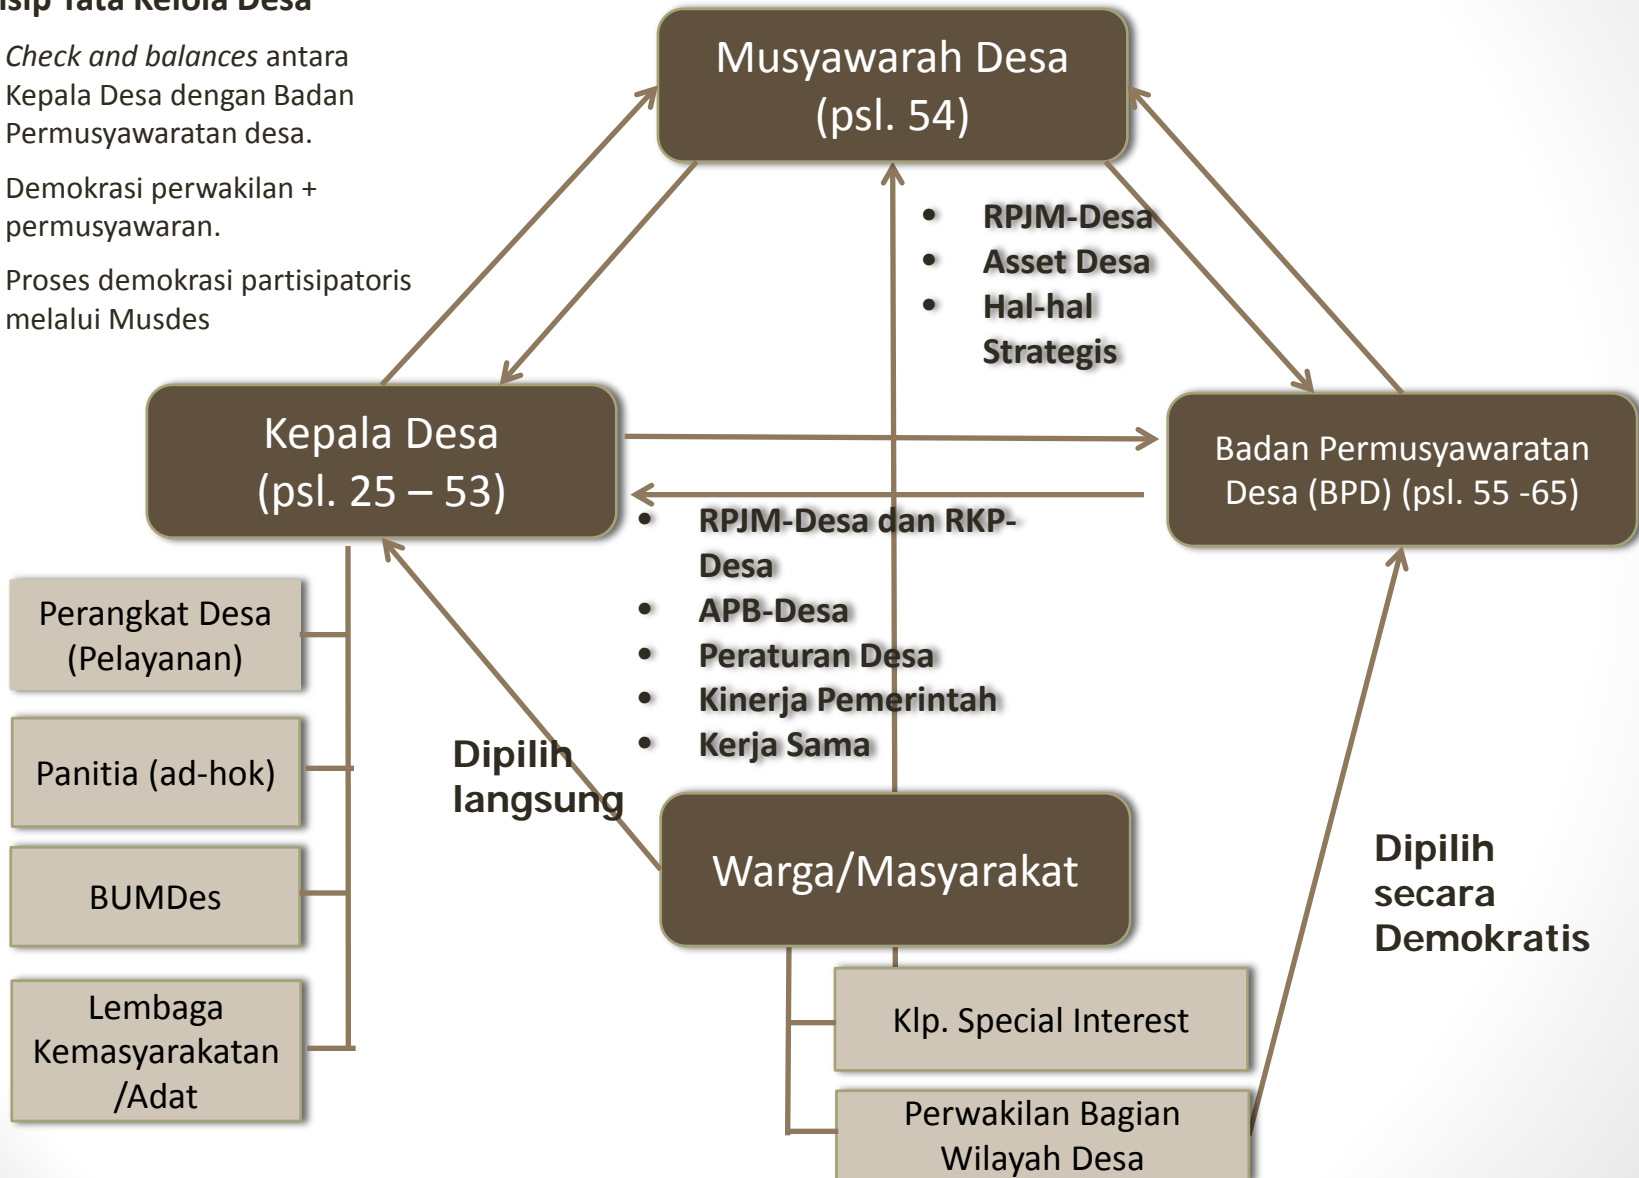

**kuat, maju, mandiri,  
dan demokratis**

sehingga dapat menciptakan landasan yang kuat dalam melaksanakan pemerintahan dan pembangunan menuju **masyarakat yang adil, makmur, dan sejahtera.**

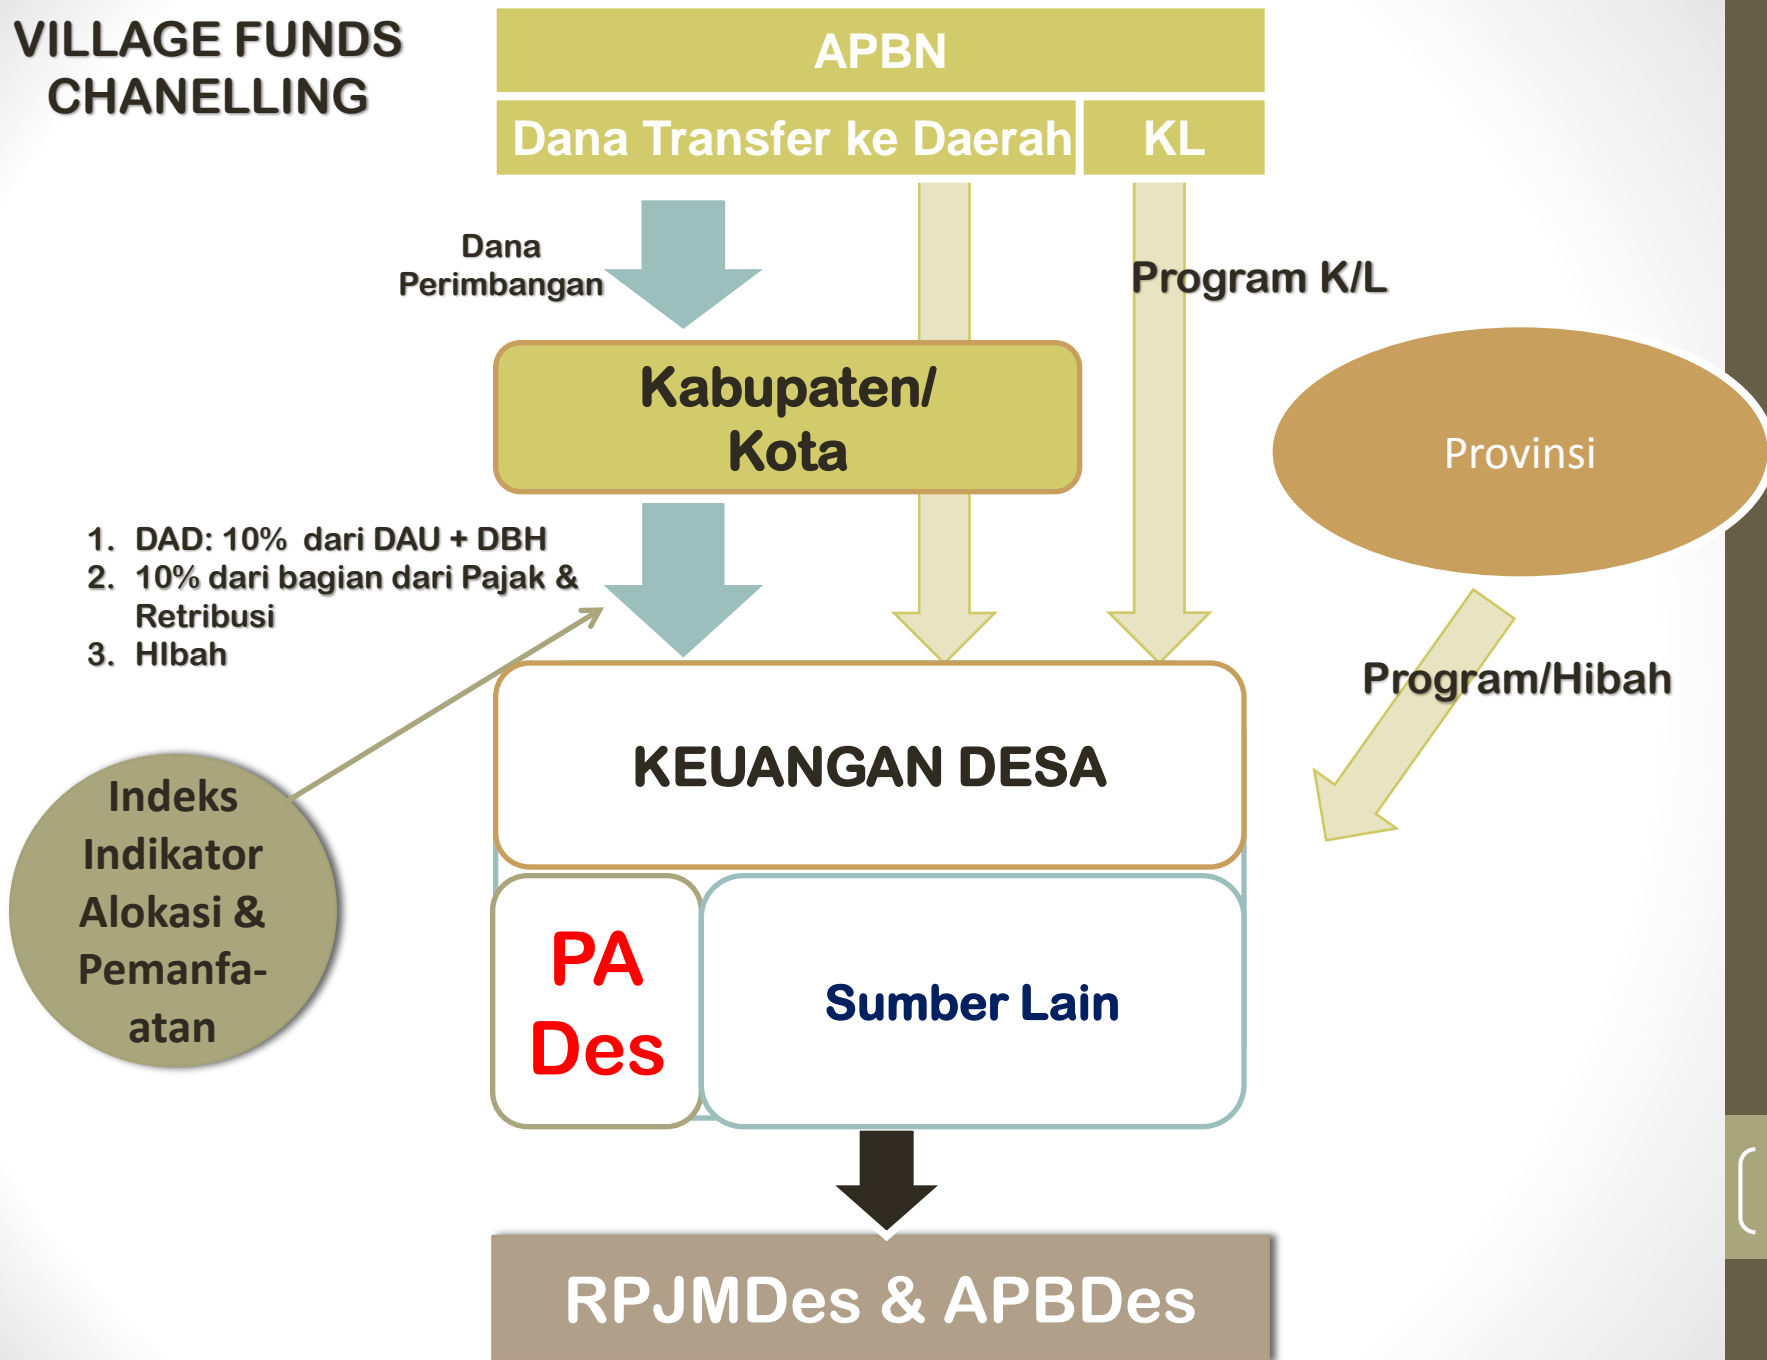

# Democratic Village Governance

## Prinsip Tata Kelola Desa

- *Check and balances* antara Kepala Desa dengan Badan Permusyawaratan desa.
- Demokrasi perwakilan + permusyawaratan.
- Proses demokrasi partisipatoris melalui Musdes

# VILLAGE FUNDS CHANELLING

## District Government

- Tata ruang kawasan perdesaan
- Unit-unit pelayanan (puskesmas, sekolah)
- Unit-unit pembangunan ekonomi (pasar, irigasi, rumah potong hewan, jalan dll)
- Unit administrasi (kantor kecamatan)
- Sistem informasi terpadu

# Jurisdictional REDD+ Approach

A nation-wide approach under which REDD+ is implemented and administered through Indonesia's provincial and district government units, with performance aggregated at the national level.

## Translating the 4 objectives as our KPIs

# REDD+ Approach to Village Development

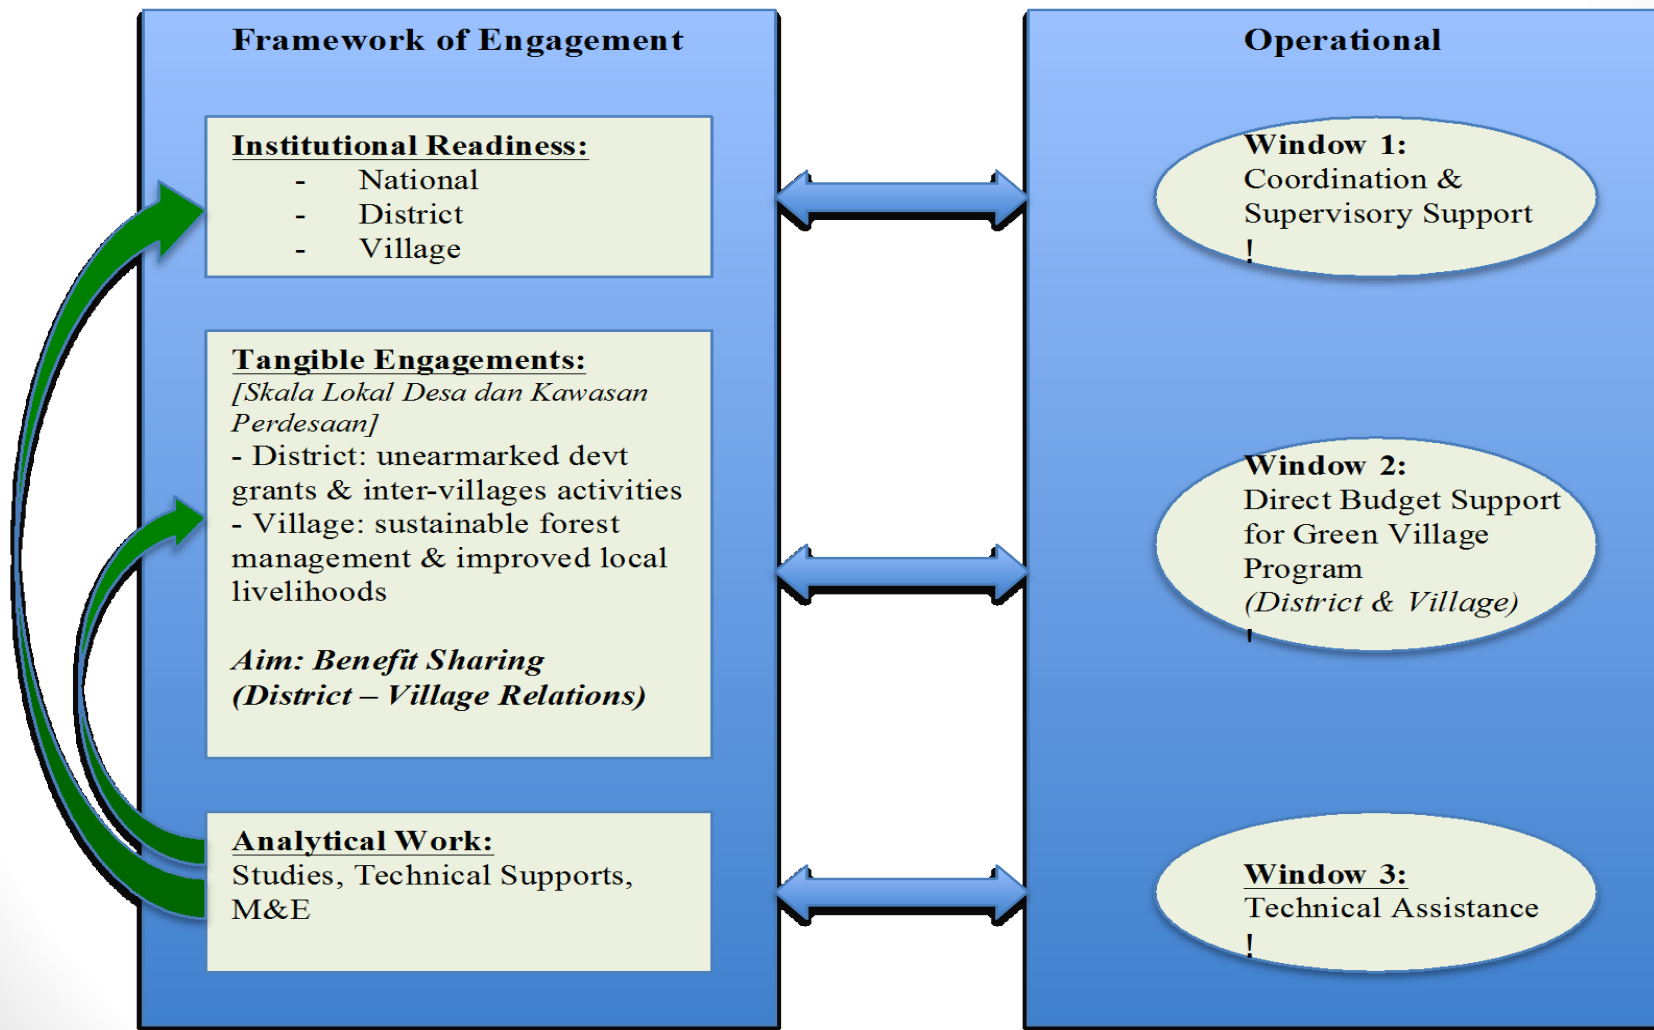

# Support to national and sub-national institution on village and rural development ...

- Law on Recognition and protection of the rights of indigenous community
- Implementation of TAP MPR IX/MPR/2001 – agrarian reforms
- Law on Land Management
- Law on Natural Resources Management
- Government regulations on implementation of village laws
- One map regulation and policy
- Comprehensive national license review
- Provincial and district regulations

# National Support Facility for Green Village Program: Integrating REDD+ into Village Development

# VILLAGE RESOURCES INVENTORY AND PLANNING

# Green village

**Meningkatkan kesejahteraan masyarakat dan mengembangkan tanggungjawab komunitas untuk pemeliharaan lingkungan hidup, hutan dan gambut sesuai nilai serta kearifan sosial dan budaya**

- Tahun 2012/2013 Kelompok masyarakat dari 32 desa di sekitar kawasan eks-PLG mendapatkan manfaat pengembangan kapasitas mata pencaharian alternatif, kelambagaan dan ketrampilan dalam bidang terkait.
- Tahun 2014, kelompok masyarakat dari 10 desa mendapat manfaat penguatan mata pencaharian alternatif, pemetaan wilayah kelola masyarakat, penanggulangan kabakaran dan perencanaan desa.
