New LANDFIRE 2024 Updates:

All Extents:

Public Events Geodatabase

SC, NC, SE, NE:

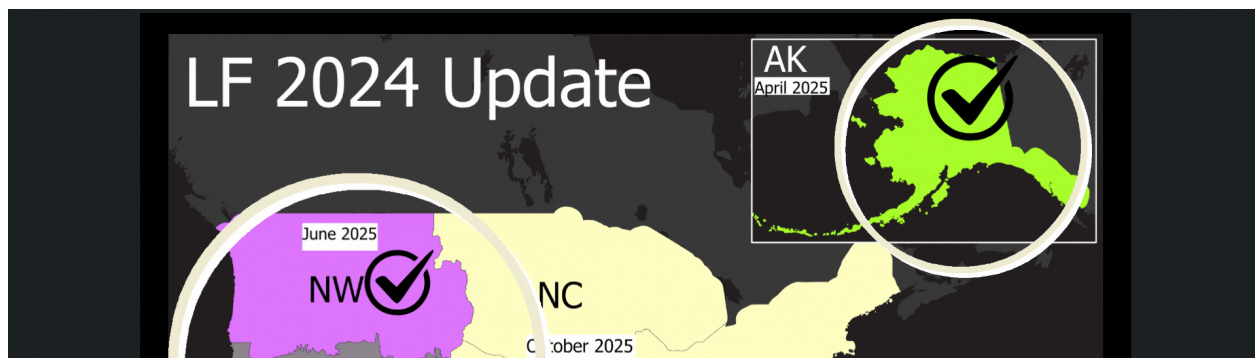

Preliminary Annual Disturbance (PDist)...including disturbances from Hurricane Helene

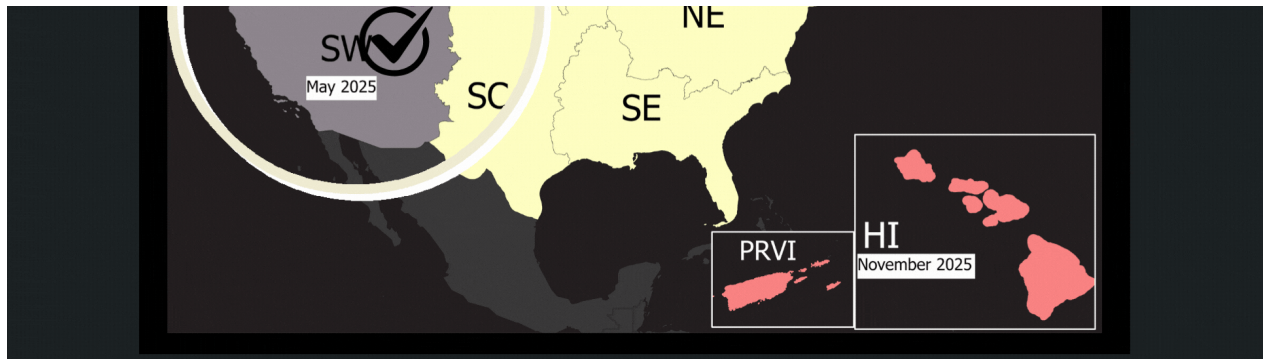

AK, CONUS:

Final Annual Disturbance

This release for the LF 2024 Update marks the first time since LF 2016 Remap where remote sensing-based change is provided for Alaska. An updated crosswalk for annual disturbance products has also been released alongside Dist24 and PDist.
