

# Yamhill County Conservation Concept Map

## Legend

- Federal Ownership
- State Ownership
- City, County, and District Ownership
- The Nature Conservancy Ownership
- Yamhill SWCD Ownership/Easements
- Trappist Abbey Conservation Easement
- Tribal Lands
- Cities (Urban Growth Boundaries)
- Willamette Valley Ecoregion Boundary
- Yamhill County Line

The Conservation Concept depicted on this map is based on conservation data provided by The Nature Conservancy, U.S. Fish and Wildlife Service, Oregon Department of Fish and Wildlife, and various local park and recreation plans along with concepts generated by the Yamhill Partners for Land and Water in a series of workshops held in 2014 (Yamhill County Conservation Feasibility Analysis, February 2014). The Conservation Concept is intended to guide future planning efforts and is non-regulatory and subject to voluntary landowner participation.

## Priority Conservation Areas and Future Potential Trails

- Priority Floodplain Conservation and Restoration Areas
- Priority Oak/Prairie Conservation and Management Areas
- Key Confluence Area (Restoration Opportunities)
- Planned and Proposed Regional Trail Connections
- Popular Bicycle Touring Routes
- Existing Willamette River Water Trail
- Potential Future Trail Connections (Conceptual)
