

Training Opportunity

Flagstaff Fire Department & Summit Fire and Medical District Prescribed Fire Training Exchange (Trex)

Oct 31 - Nov 13, 2022 based in Flagstaff, Arizona (Tentative Dates)

Objectives: To increase fire department capacity to plan and implement good fire projects in the wildland urban interface and to mitigate unwanted fire effects to local communities.

Target Group: A diverse applicant pool of fire personnel from city, county and other local agencies and departments is desired; all agency and non-governmental organization fire personnel are welcome.

Registration Fee: The fee is \$300. Fees may be waived for participants who bring equipment (e.g. engines, UTVs, etc.)

Description: Participants will serve in NWCG qualified and trainee positions and will assist with preparing, scouting, briefing, igniting, holding, mop-up, and patrol on controlled burns in the area. There will be opportunities for pre- and post-fire monitoring, training with equipment, and practice of fire line leadership skills. Participants will also learn about local fire ecology and fire management practices and techniques.

Applications are due by July 15, 2022. Space is limited and selections will be made by Friday, August 19, 2022.
